To whom it may concern

RS: RSM20201020

Dear Sir or madam,

We have received confirmation from TWINSEL that the SY-02 connector and SY-01 connector are the same type and compatible for connection in low rate voltage system, the requirement of the clause (same type from same manufacturer) are met when mating these plug connectors in 1000V system. Risen instructions must be followed when mating these two connectors.

Best regards,

RISEN ENERGY CO., LTD.
